

## ***FLU SHOT CLINIC***

**October 6, 2017**

6:30 a.m. to 8:30 a.m.

Flu shots and Biometric/Wellness checks will be available from 6:30-8:30 AM on October 6, 2017 at our three office locations. Employees and family members covered by Central Rivers AEA health insurance will NOT need to pay anything for the flu shot if they bring their Wellmark Insurance Card and complete the form provided by the flu shot provider.

The Biometric/Wellness tests are to be paid to the provider at the time of service with either cash (bring the exact amount) or by check. The provider can supply you with a receipt so that you can file for reimbursement for the Biometric/wellness cost to your Medical Flex Plan if you are enrolled for the flex benefit.

**Cedar Falls Clinic will be held in the Little Turkey Room.** Flu shots will be given by the VNA of Waterloo and wellness testing will be done by the Wheaton Franciscan Network. The cost of the flu shot if no insurance is \$40

**Clear Lake Clinic will be held in Room D.** Flu shots and Biometric/Wellness checks will be by Cerro Gordo County Public Health Nurse. The cost of the flu shot if no insurance is \$35

**Marshalltown Clinic will be held in Room A.** Flu shots will be given by McFarland Clinic and the Biometric/Wellness checks will be done by Unity Point. The cost of the flu shot if no insurance is \$71 (\$88 if over age 65)

Please email [bbeauregard@centralriversaea.org](mailto:bbeauregard@centralriversaea.org) BEFORE October 1st with the following information

- Name
- Which clinic you will be attending (Cedar Falls, Clear Lake, Marshalltown)
- Which services you wish to receive (flu shot, Blood tests, Biometric screening)
- Be sure to state if the flu shot is for a person over age 65 or under age 3.

See the attached fliers for costs and additional information.
